

**Fitchburg State College Disability Services  
Policies & Procedures for Testing Accommodations**

- Test accommodations must be requested every semester. At the beginning of each semester you should meet with the Director of Disability Services to request Testing Accommodations. One agreement form per class is required.
- Once you have met with the Director of Disability Services and have your accommodation forms, take your letters to each professor. Meet with your professors as within the first two weeks of class, preferably during their office hours, to discuss your test accommodations. Your instructor can also proctor the exam, with the accommodations outlined on your Agreement. Professors are not obligated to allow accommodations without an agreement.
- Make sure your professor completes and signs the Testing Accommodation form. This form must be returned to Disability Services before your exam.
