Summer financial aid is awarded to students attending Fitchburg State College for a minimum of six credit hours during either summer session I, summer session II, or a combination of both summer sessions.

Summer financial aid is awarded as a trailer to the 2007-2008 academic year. Therefore, in order to receive aid, a student must have a complete 2007-2008 financial aid application on file.

Summer financial aid is limited to Federal Direct Student Loans and Federal Pell Grants for students that have not yet reached their annual allowable limits in these funds. Other funds, including Federal Work Study, may be awarded based on availability.

Students who have not been full time for both the Fall 2007 and Spring 2008 semesters will be able to utilize any remaining Federal Pell Grant balance for any combination of summer sessions. Some students may be eligible for a Pell Grant for enrollment in only one summer course.

Students must be maintaining Satisfactory Academic Progress (SAP) as determined at the end of the spring semester in order to receive summer financial aid.

Summer FWS awards, if available, can only be earned through June 30th, 2008. If you wish to work beyond that date, you must complete a 2008-2009 financial aid application and plan on attending the fall 2008 semester. Students who will not be enrolled during the summer but would like summer FWS may still apply using this application.

Summer financial aid will not be paid until the midpoint of summer session II.

Any changes to summer enrollment must be reported to the Financial Aid Office. Students that fail to enroll in classes for which they were awarded will be responsible for all incurred charges.
