

## Directions

Your application was selected by the Federal government for review in a process called "Verification." In this process, we will be comparing information from your application with signed copies of your (and your spouse's, if you are married) 2006 Federal tax forms. If you are not required to file a 2006 Federal tax return, you must provide your (and your spouse's) 2006 W-2 forms. The law states that we have the right to ask you for this information before awarding Federal and State aid. If there are differences between your application information and your financial documents, we may need to send in corrections to the Federal processor in order to have your information reprocessed.

### You need to:

- Complete all sections of this form, including required signatures.
- Submit the completed worksheet, all tax forms, W-2's, and any other requested documents to the Fitchburg State College Financial Aid Office.
- Talk to a Fitchburg State College financial aid administrator if you have questions about completing this form.

Try to complete this form as soon as possible so that the processing of your aid will not be delayed. Please note that students are randomly selected for verification and that this process may occur at any time throughout the award year.
