

NAME: _____ DOB: _____

TUBERCULOSIS RISK QUESTIONNAIRE
For College and University Students

1. Have you had close contact with anyone who was sick with tuberculosis (TB) **YES NO**

2. Were you born in a country that has a high rate of tuberculosis (TB)? See list of countries below. **YES NO**

3. Have you traveled or lived for more than one month in a country that has a high rate of tuberculosis (TB)? See list of countries below. **YES NO**

If the answer to any of the above questions is **YES**, the Massachusetts Department of Public Health **strongly recommends** that you have a tuberculosis skin test to check for latent tuberculosis infection. If the answer to all of the above questions is **NO**, a tuberculosis skin test should not be done.

COUNTRIES WITH HIGH RATES OF TUBERCULOSIS (TB) (50 PER 1000 CASES)
