Time

Activity

Introduce topic - essential question, readying students.

Cover main objectives: describe content, activities, documents or content used, teaching strategies, etc. Link to course materials. *Be specific* in your descriptions - we need to get a clear picture of what's going to happen in the classroom.

Closure -

Assessment: Students will be able to...? as a result of this lesson. Should be linked to the learning objectives you selected, and means of assessing should be spelled out clearly.

References: What sources have you used or consulted? Cite primary source documents used, course materials or activities, books, web sites, or other sources, using full citation [title and author, etc]. List other planning sources consulted: texts, references works, and internet sites used for content or planning.

Materials: What materials needed to conduct the lesson: computer lab or internet access, Powerpoints, overhead slides, maps, textbooks, primary source document readers, handouts, worksheets, notebooks, journals, etc. **[Include with your lesson plans copies of the materials you use.]**
